

Call for Tutorials

2021 the 6th International Conference on Distance Education and Learning (ICDEL 2021)

May 21-24, 2021 | Shanghai, China

www.icdel.org

The tutorial will be arranged for around 2-3 hours on May 21's afternoon before the main conference. ICDEL 2021 is particularly interested in tutorials that are of value to the practicing engineer, with an emphasis on solutions to practical problems.

Tutorials are solicited on any subject pertaining to the scope of the conference that includes the main 5 tracks, but is not limited to:

1. General Approaches and Issues
2. Implementation Issues
3. Methodological and Pedagogical Issues
4. Tools, Systems and Technological Issues
5. Ethical and Social Issues

Each tutorial should include the following content:

1. The proposed title
2. An abstract for the tutorial
3. Names, titles, affiliations, emails, and biography of the person who delivering the tutorial
4. Description of and/or links to any planned materials or resources to be distributed to attendees (if any)

Important Dates:

Tutorial Submission Due: February 1, 2021
Tutorial Notification Date: March 15, 2021
Full Tutorial Materials Deadline: April 15, 2021

Learn more details or submit the proposal, please contact us
